Join ESC Region 11 for a day of learning opportunities designed specifically to support the effective implementation of the TEKS Resource System.

Engaging breakout sessions will provide participants opportunities to further their understanding and focus on improving student achievement through successful implementation of the TEKS Resource System. Regional educators will also have opportunities to share ideas, strategies, and successes with the implementation and utilization of the TEKS Resource System.

**Registration**

Participants may register for sessions by visiting the ESC Region 11 Web site at www.esc11.net and clicking on “Registration.” For assistance with registration, please call (817) 740-3659.
