

# Eduphoria + TEKSbank Webinar Series

The Data Resources Management technical assistance and support package is a year-long model for campus and district data users. Data users engage in an intentional support model that provides them with the data-driven practices to increase efficiency and usability for data resource systems. A Data Resource Specialist will support campus and district teams throughout the year with professional learning and implementation support for their data system.

## Quick and easy webinars

- Learn how to use the Eduphoria + TEKSbank applications to their full potential!
- Attendees are welcome to attend any or all webinar sessions that meet their needs!

To register, scan this QR Code or visit [www.esc11.net](http://www.esc11.net) and click on "Register."
