

Continuous Improvement Contract 2022-2023

Note: Due to various factors, including the volume of participation from districts, contract negotiations for products and services being purchased and delivered within this contract, possible funding changes for districts or ESC Region 11, and other factors, this contract is offered in good faith but does not become binding until September 1, 2022, on either the district or ESC Region 11. This contract is contingent upon the continued availability of appropriations and is subject to cancellation by either party upon thirty (30) days' written notice to the other party. Payment for valid fees or charges rendered by the ESC Region 11 prior to written notice of termination shall be due to ESC Region 11. Early acceptance of this contract is necessary so that ESC Region 11 can plan and prepare to deliver these services. An alternative contract may be offered if this contract cannot be delivered as stated.

The following services are offered for those campuses and districts that purchase the **Continuous Improvement contract**:

Two-Year Contract Timeline

LEAs that purchase this contract are encouraged to undergo the Elevating Success training and diagnostic instrument and then select and participate in the appropriate Next-Level Leadership lever. In order to effectively address this in-depth training and align to the most beneficial continuous improvement model for district and campus teams, *this contract will be adjusted to cover a two-year period*. As such, the contract will automatically renew for year 2, and billing will occur annually for the modules utilized that year.
