

Note: Due to various factors, including the volume of participation from districts, contract negotiations for products and services being purchased and delivered within this contract, possible funding changes for districts or ESC Region 11, and other factors, this contract is offered in good faith but does not become binding until September 1, 2022, on either the district or ESC Region 11. This contract is contingent upon the continued availability of appropriations and is subject to cancellation by either party upon thirty (30) days' written notice to the other party. Payment for valid fees or charges rendered by the ESC Region 11 prior to written notice of termination shall be due to ESC Region 11. Early acceptance of this contract is necessary so that ESC Region 11 can plan and prepare to deliver these services. An alternative contract may be offered if this contract cannot be delivered as stated.

**DMAC Solutions** consists of a suite of Web-based applications developed to assist educators with their assessment and curriculum needs. The Instructional Services Division offers the following services and discounts to school districts/charter schools that sign the **DMAC Solutions Contract**:

### Services Available

- The suite is inclusive of multiple components, such as:
  - o State Assessment — (STAAR, TELPAS, and Interim Assessments) Reports by district, campus, teacher, or student. Tracks federal and state accountability measures and provides data analysis to assist in developing differentiated instruction. Academic Performance Dashboard included for administrators.
  - o TEKScore — (Local Assessments) A complete tool kit for scoring and analyzing local assessments (aligned to TEKS, ELPS, and/or AP). Students can record answers to assessments using the online Student Response System. District, campus, and teacher dashboards provide drill-down access to analyze results, including the 1-Click Report feature.
  - o TAG — (TEKS Assessment Generator/Online Test Item Bank) Create local assessments. Select from original content aligned to state standards or create your own. TEA released items and TEKS Resource System items are also available.
  - o TPRI — (Early Reading Performance) TPRI data collection, reporting, and analysis. Includes a data export for the ECDS Kindergarten data submission to TEA.
  - o Tejas LEE — (Early Reading Performance) Tejas LEE data collection, reporting, and analysis. Includes a data export for the ECDS Kindergarten data submission to TEA.
  - o lead4ward — (Data Tools) Harness the power of DMAC to create digital versions of data tools recommended by lead4ward during statewide trainings on how to use state and local data to help students and improve instruction.
  - o PlanWorks — (District/Campus Improvement Plans) Develop and maintain plans that comply with state and federal requirements (TEA and ESSA). Features include secure multi-user access online; automatic reconciliation of funds attached to resources in a goal, objective, or strategy; copy plans from previous years; Comprehensive Needs Assessment (CNA) module; and more. Integrates with other DMAC applications, making it possible to include relevant state and local data or attach custom forms.
  - o LPAC — (Documentation of LPAC Process) Create and manage ESL and Bilingual forms and letters. Integrates with other DMAC applications, assisting with data entry and documentation for EL population. Features include a real-time Dashboard, reports, and digital signatures available for parents and committee members.
  - o RtI — (Response to Intervention) Create and maintain documentation for struggling students. Historical plans, progress monitoring, and assessment data complete the interactive web-based plans.

- o FormWorks — (Custom Online Forms) Create forms and collect data. Forms can be stand-alone (e.g., district surveys, travel requests) or linked to other DMAC applications, including T-TESS, RtI, Student Portfolio, and others).
- o Appraisals —(T-TESS, T-PESS, and PDAS) Allows administrators to meet state-mandated requirements for teacher and principal appraisals. Educators are able to complete and electronically sign their documentation online.
- o PGP — (Personal Graduation Plans - HS) Develop and maintain four-year plans for high school students Select assigned courses, graduation plans, endorsements, programs of study, and document credits. Meets requirements of HB5.
- o PGP Intervention — (PGP Intervention MS/JH) Develop state-mandated personal graduation plans documenting intervention/monitoring plans and student/parent goals.
- o CIA Alignment — (Curriculum Instruction and Assessment) Align and map district-built curriculum (i.e., TEKS, ELPS, and AP). Users can connect planned instruction to performance on state assessments in order to increase student achievement. Print, export, and share documentation with ease.

### **Services Included At a Reduced Fee**

- Customized/On-Site Trainings: Districts are charged a per-person fee according to the ESC Region 11 fee schedule, with a required minimum/maximum number of participants per trainer (plus cost of materials per participant, when applicable).
