

Note: Due to various factors, including the volume of participation from districts, contract negotiations for products and services being purchased and delivered within this contract, possible funding changes for districts or ESC Region 11, and other factors, this contract is offered in good faith but does not become binding until September 1, 2022, on either the district or ESC Region 11. This contract is contingent upon the continued availability of appropriations and is subject to cancellation by either party upon thirty (30) days' written notice to the other party. Payment for valid fees or charges rendered by the ESC Region 11 prior to written notice of termination shall be due to ESC Region 11. Early acceptance of this contract is necessary so that ESC Region 11 can plan and prepare to deliver these services. An alternative contract may be offered if this contract cannot be delivered as stated.

The Instructional Services Division offers the following services and discounts to school districts/charter schools that sign the **TEKSbank Contract**:

### **Services included at No Additional Charge**

TEKSbank provides educators with a repository of more than 40,000 questions mapped to the TEKS that can be used to create online or offline (paper) assessments of student ability in the areas of language arts, math, science, and social studies for grades 2-11. Spanish items are currently available for grades 2-5 in language arts and math; additional items (both Spanish and English and for various academic areas) are added to the item bank at regular intervals. The TEKSbank program will allow users to:

- Design a test booklet
- Access questions in the four core subject areas
- Search by standard or keyword
- Change content within the question
- Reduce answer choices
- Change images within the question
- Organize text into categories
- Use tabs to navigate within the system
- Change the layout, type, and resources
- Share tests with other users
