

Management Information Systems Software & Support Service Contract (ASCENDER Business and Student) 2023-2024

Note: Due to various factors, including the volume of participation from districts, contract negotiations for products and services being purchased and delivered within this contract, possible funding changes for districts or ESC Region 11, and other factors, this contract is offered in good faith but does not become binding until September 1, 2023, on either the district or ESC Region 11. This contract is contingent upon the continued availability of appropriations and is subject to cancellation by either party upon thirty (30) days' written notice to the other party. Payment for valid fees or charges rendered by the ESC Region 11 prior to written notice of termination shall be due to ESC Region 11. Early acceptance of this contract is necessary so that ESC Region 11 can plan and prepare to deliver these services. An alternative contract may be offered if this contract cannot be delivered as stated.

The ASCENDER Business and Student software is web-based, fully integrated, and supports the operational and reporting requirements of Texas districts, charter schools, private schools, and education service centers. The Management Information Systems Department offers the following services and discounts to districts that sign the **MIS Software & Support Service Contract for ASCENDER Business and Student**:

ASCENDER Business System

The ASCENDER Business software is a state-of-the-art school administrative software system. It is supported by ESC Region 11 MIS specialists and staff.
