This event is funded by the USDA.

DECEMBER 6, 2022 • 8:30 a.m. - 3:00 p.m. • ESC Region 11

Education Service Center Region 11, in conjunction with the Texas Department of Agriculture (TDA), will present our second annual Farm Fresh Summit. This summit will discuss innovative ways to grow and include fresh foods in our children's diets, how to purchase the product direct from the source (procure), and learn how to support our local producers.

Join us as we bring together local producers – including farmers, farmer's markets, and cattle/dairy/produce farmers as well as TDA experts – to meet program operators (schools and Child and Adult Food Care Programs). The day will include a general session; breakouts on various topics, such as composting, aquaponics, gardens, produce safety, fresh herbs, Agrilife curriculum on how to incorporate it into the schoolroom setting with "Junior Master Gardeners (JMG) Learn, Grow, Eat & Go!"; TDA resources; and so much more!
