The screenshot shows a user interface with a sidebar on the left and a main content area on the right. The sidebar contains a user profile 'CW' with a green status indicator, a 'Favorites' section, and a 'Conversations' list with four entries: '8179374782', 'Chad Pierce', '+16822625484', 'Dustin Funkhouser', and 'Juan Escobar'. Below the conversations are icons for home, call, messages, contacts, calendar, clock, and a gear icon. At the bottom of the sidebar, it says '3696 on Softphone' and 'Education Service Cent...' with a dropdown arrow.

The main content area is titled 'Activity' and has three tabs: 'All', 'Calls', and 'Voicemail'. The 'Voicemail' tab is selected. It displays a vertical timeline of voicemail messages:
