Subject: BDT Schedule

It's time to start scheduling Bus Driver courses for the 2019-2020 school year. Classes will continue to be held at school districts desiring to host Texas School Bus Driver Certification Training Courses.

After confirming the dates, times, and location below with Region 11, kindly assist the ESC Region 11 Transportation Services by informing school district drivers of this class. Please advise me if you feel you will fill a class; a password can be added.

If you are willing to host a class, specify the location, dates, and times below. Indicate your permission by signing and returning the signed approval form. You may scan and email the signed form back to me at pdemoss@esc11.net. If you are unable to scan the signed document, please fax the form back to Bus Driver Training at (817) 740-3601.

If you have any questions, please call me at (817) 740-7529. Drivers must present their certification card and driver's license to the instructor.

We extend a special thank you to all school districts for your continued support. ESC Region 11 is pleased to provide this service for you.
