

2020 College, Career, and Military Readiness (CCMR) Tracker Student Listing

The 2020 CCMR Tracker Student Listing provides districts with a means to track CCMR indicator completion throughout high school for students reported as enrolled in grades 9–12 on the TSDS PEIMS 2019 snapshot date. **No corrections will be submitted to TEA; this report is for informational purposes only.** If districts find errors, they are encouraged to work with testing vendors to make corrections prior to the student’s graduation.

The tool is provided to districts for academic accountability, monitoring, and planning purposes. For additional information on CCMR indicators, see [Chapters 2–4 of the 2020 Accountability Manual](#) for the methodology for each indicator used to evaluate CCMR.
