

2023-2024 Fall/Winter/Spring Amplify and High-Quality Instructional Materials (HQIM) Sessions

Amplify Reading - Digging Deeper with Unit and Lesson Internalization

September 28, 2023 • 8:30 - 11:30 a.m. • 3 Credit Hours

This training is specifically designed for teachers utilizing HQIM Amplify Texas. During this session, we will understand the process of the Unit/Domain and Lesson Internalization and Student Work Analysis Protocols in supporting the implementation of Amplify Texas Elementary Literacy Program. We will also make connections to how this might benefit students in the classroom with the goal of planning and preparing high-quality RLA instruction using the Amplify Texas curricular resources. Participants should bring all instructional materials for the upcoming units, including the teacher guides, student materials, and a laptop to access online materials.

Amplify Reading – Internalization with Intentionality **September 28, 2023 • 1:00 - 4:00 p.m.**

This session is designated for participants to internalize Units and Lessons for Amplify Texas HQIM. Groups will be dispersed to collaborate with their grade bands as well as connect customization opportunities. Participants should bring all instructional materials for the upcoming units, including the teacher guides, student materials, and a laptop to access online materials.

High-Quality Instructional Materials (HQIM) RLA Cadre **October 17, 2023 • 8:30 - 11:30 a.m.**

This cadre is for instructional leaders utilizing TEA Open Education Resources for RLA (Amplify Texas and Odell Texas). The collaborative session will provide information and updates for K-12 educators using these instructional resource materials.

Amplify Reading – Cracking the Code in the Phonics Progression

October 26, 2023 • 8:30 - 11:30 a.m.

This session is for educators interested in or already utilizing the Amplify Texas HQIM. We will dive into the progression of synthetic phonics approach and its impact for systematic, explicit instruction.

Amplify Reading – Internalization with Intentionality
October 26, 2023 or November 30, 2023 • 1:00 - 4:00 p.m.
(See previous description.)

Amplify Reading – Facilitating Lesson Rehearsal/ Observation and Feedback **January 25, 2024 • 8:30 - 11:30 a.m.**

This training is specifically designed for educators utilizing HQIM Amplify Texas. During this session, we will understand the process of the Lesson Rehearsal in supporting the implementation of Amplify Texas Elementary Literacy Program and make connections to how this might benefit students in your classroom. During lesson rehearsal, teachers select a part of a lesson they want to practice prior to delivering to students. With the support of instructional leaders and their peers, teachers receive feedback in order to improve lesson delivery. Lead teams through this process implementing high-quality instructional materials with confidence. Come learn helpful strategies and review provided protocols to help you support teachers as they prepare their upcoming lessons. Participants should bring all instructional materials for the upcoming units, including the teacher guides, student materials, and a laptop to access online materials.
